

## Locust Map Grid

## Rules Notes

- Moving one space in any direction costs one turn.
- Using an ability or clearing locusts costs nothing.
- A special ability succeeds if the value of the dice roll plus the *applicable* stat equals or exceeds seven.
- Special abilities cost one point of *other* stat.

## Turns

## Stats

Roll a dice for each stat and record it below:

Querquedule

Cybertech

## Querquedule Abilities

### The Great and Terrible Quack

This will force all adjacent locust swarm to stack on an adjacent locust swarm.

### Feast of the Conscripts

Ducks from other flocks are summoned to feast on an adjacent locust swarm.

## Cybertech abilities

### Bionic Speed

You may take a free move without cost.

### Called Strike

Clear locusts on any one square on the grid.
